SKILLS

HTML, CSS, JavaScript
Responsive Web Design
Debugging
Problem-solving

EDUCATION

University of Agriculture,
Makurdi Benue State, Nigeria.

2021 - 2022
Studied Industrial Physics

Transitioned to tech to explore
my passion for technology and
Web3, leading me to focus on
frontend development.

PROFILE

Web developer with a growing knowledge of HTML,
CSS, and JavaScript. Currently improving problem-solving
skills through open-source and real-world projects. I enjoy
solving problems through code and the process of turning
code into something people can use and appreciate.

EXPERIENCE

Primary School Tutor
Feb 2021 – Aug 2021
Provided tutoring to elementary school pupils, improving
Their understanding of core subjects.

Developed and adapted lesson plans to suit the learning
style, enhancing problem-solving and communication skills.

Web Developer 100Devs
Sep 2024 - Present
Participated in an intensive software engineering program
focused on full-stack web development.

Built responsive and accessible websites using HTML, CSS,
And JavaScript.

Engaged in continuous learning, problem-solving, and
debugging through hands-on coding challenges and
mentorship.
